Repair log

One row per dealership visit. Copy what the repair order says; note the symptom in your own words. Keep the repair orders themselves with this log.

Vehicle (year / make / model): _____ VIN: _____

Purchase date: _____ State whose lemon law you are tracking: _____

Date in	Date out	Dealer	RO #	Miles in	Problem (group name)	What you reported	What the dealer did / result

If the vehicle is still at the dealership, write "still there" in Date out and count the days so far. LemonLawPath — free online version with running totals: lemonlawpath.com/repair-log/
